

THE YELLOW DOG
Simplifying Complexity.
Execution Architecture & Systems Doctrine.
Command Is The Way Forward

“Operating Under Yellow Dog Construction LLC”

JACOB ARISPE

Head of Operations & Execution | Co-Founder

The Yellow Dog

Construction Operations Leadership | Field Execution | Safety, Quality & Cost Control

Professional Summary

Operations executive and co-founder with nearly 20 years of hands-on leadership across commercial, institutional, and federal construction environments. Proven ability to lead complex field execution from pre-construction through delivery, enforcing discipline across safety, quality, schedule, and budget.

Leads the operational backbone of The Yellow Dog, translating command architecture and execution doctrine into practical field systems that drive accountability, consistency, and on-time delivery across multiple projects.

Professional Experience

The Yellow Dog

Chief Operations Officer & Co-Founder

Saginaw, Texas — Aug 2023 to Present

- Lead all construction operations across multiple active projects, enforcing disciplined execution, accountability, and performance standards across field teams and subcontractors
- Direct planning, resource allocation, and day-to-day execution to ensure projects are delivered on schedule, within budget, and to defined quality standards
- Implement structured safety and quality control systems that reduce incidents, improve consistency, and maintain high workmanship standards
- Oversee subcontractor performance, vendor coordination, and client engagement to ensure seamless execution and repeat business

THE YELLOW DOG
Simplifying Complexity.
Execution Architecture & Systems Doctrine.
Command Is The Way Forward

“Operating Under Yellow Dog Construction LLC”

- Translate company execution doctrine into field-level systems, creating a repeatable operational framework for project delivery
